As part of Woodbine's Wellness Curriculum to be kind to others, we are having a Reverse Advent Calendar Food Drive. Instead of getting a gift each day like a typical advent calendar we are giving a gift of food each day to support the Calgary Food Bank. Please see the calendar above for suggested donation items. You are welcome to donate any non perishable items, however please no glass jars.

We will be competing in Den Groups to see which Den is able to bring the most items. The winning Den will win a popcorn movie afternoon in the new year.

Thank you for your support in teaching the importance of giving and helping others.
